Dr. Williams's Trust

The Trust includes a number of benefactions for which the founder, the Rev. Daniel Williams, D.D. (b. 1643, d. 1716), made provision in his will. The most important of these is now the Library, which has been greatly enlarged and developed since his time.

Besides the Library, the benefactions include grants of money to poor ministers, and to widows of ministers; grants of books to ministers; bursaries to undergraduate students for the Protestant Dissenting Ministry at the University of Glasgow; post-graduate divinity scholarships for students for the Protestant Dissenting Ministry in approved Theological Colleges.

Provision is also made by the Trust for special Ministers in Wales to do missionary and evangelising work in aid of the weaker churches, or in districts where there is no regular ministry.

The Trustees also give bursaries and scholarships to be held at the Presbyterian College, Carmarthen. They contribute to the maintenance of the Dr. Williams' School for Girls (Secondary) at Dolgelley, North Wales. For information as to the institutions named in this paragraph, applications should be made to them locally, and not to the Secretary of the Trust.

GRANTS TO DISSENTING MINISTERS.—Sums ranging usually from £10 to £20 not in aid of inadequate salaries, but to meet special emergencies or to help in education of children. Retired ministers are not eligible.

Part postage is also paid in suitable cases on books borrowed from the Library by country readers who are nonconformist ministers. Further particulars may be obtained on application.

GRANTS TO WIDOWS OF MINISTERS.—These are made for the same purposes as those to ministers. The amount available for these grants is less than for those to ministers.

GRANTS OF BOOKS (called in the founder's will "Bibles and good practical books to be given to the poor").—These grants are made only in June of each year. Applications may be made at any time up to the middle of April in each year; if any grant is made the books are sent out in the following July. The books given are intended to help ministers in their studies. They are new books, and are not given from the Library.

GLASGOW BURSARIES (Undergraduate) tenable at Glasgow University, up to the value of £100 per annum for 3 or 4 years.—Prospectus forwarded on application. Candidates must be of South Britain. Applications for Bursaries must be sent in not later than March 1st in each year.

DIVINITY SCHOLARSHIPS of the value of £150 per annum for 2 years tenable at any approved Theological College or University. Applications before the 1st of June in each year. Prospectus may be obtained on application to the Secretary.

For all the foregoing, inquiries must be made of the SECRETARY, Dr. Williams's Trust, who will supply further information as required.

Dr. Williams's Library

THE LIBRARY.—Primarily a Theological Library intended for the use of Ministers, Students, and other persons engaged in the study of Philosophy, Theology, Ecclesiastical History, the History of Religion and kindred subjects, it will also be found useful for the study of History, Sociology, the History of Language and Literature, and Classical Literature both Ancient and Modern.

The Library does NOT supply Fiction, or books on Mathematics, Music, Natural History, Physical Science, or Medicine; nor does it supply Elementary Text Books or Class Books.

Books are lent to persons over twenty-one years of age, duly introduced and guaranteed in accordance with the regulations laid down by the Trustees.

Copies of the Regulations and forms of application for admission may be had on application personally, or by post.

There is no subscription, but as only a limited sum of money is available each year for the upkeep of the Library, readers are invited to make a small yearly or half-yearly voluntary subscription for this purpose. They may also become 'Friends of Dr. Williams's Library,' the subscription to which is a minimum of £1 1s. od. a year and of which fuller particulars are given at the end of this BULLETIN.

Readers having books sent to them are required to pay carriage on receipt of the books.

The Library is open daily from 10 a.m. to 5 p.m., except Saturday, when it closes at 1 p.m.

The Library is closed from the Thursday before Good Friday to the following Tuesday, inclusive; during the whole month of August; from Christmas Eve to New Year's Day, inclusive; and on Bank Holidays.

The Reading Room is also closed for the Quarterly Meetings of Trustees and for the annual meeting of the Friends of Dr. Williams's Library.

Payments in connexion with the Library should be made by stamps or Postal Orders for small amounts. Cheques should be made payable to DR. WILLIAMS'S TRUST.

All parcels and communications relating to the Library should be addressed to—

The LIBRARIAN, Dr. Williams's Library,
14, Gordon Square, London, W.C. 1.

NOTES AND NEWS

Trustees

The Rev. Henry Dawtrey, a Trustee since 1937, died on June 15th, 1949. At the Autumn Quarterly Meeting the Rev. M. C. Ratter retired from the Trust on his departure for Cape Town.

Mr. J. H. P. Pafford, Goldsmiths' Librarian, University of London, has been elected a Trustee.

Gift to the Trust

It is a pleasure to record the gift by Mr. Ronald P. Jones of two Eighteenth Century silver candlesticks, which with two others already in the possession of the Trustees, give grace to festal occasions of the Trust.

Library Subscriptions

A notice was sent in November to all readers on the active list (about 2,500) setting out the financial difficulties of the Library and broaching the question of a subscription membership. The replies received have been so numerous that it has not been possible because of shortage of staff to send any acknowledgements, and readers are asked to accept this printed note as an acknowledgement of their replies. Of the replies so far received (over a thousand) more than half cheerfully acquiesce in the suggestion of a pound (or guinea) subscription.

This issue of the Bulletin goes to print too early to allow the Trustees' decision (yet to be taken) to be embodied in it. The Trustees, who are sensitive of the changes this proposal may introduce into what has hitherto been a free library, have had two large groups of readers very much in mind:—

- (1) Those who very properly come to Dr. Williams's Library when other and nearer libraries fail them, and who therefore make only occasional use of the Library and would find a pound subscription heavy for the few books they borrow during a year.
- (2) Ministers and clergy living on inadequate stipends who might find it difficult to pay even a pound subscription, especially as many have also to pay postage.

The Trustees, however, have the onerous duty of maintaining the efficiency of the Library on a restricted income and under increasing costs, and it is either by restricting the calls made upon the Library or by obtaining an increased income that this duty can be discharged.

Some readers pleaded for developments that are unfortunately outside the present scope of the Library, and are likely to continue outside on present financial resources. We should like to add a special word of thanks to those who when replying took the opportunity to say a word of appreciation of our staff; and to those who enclosed donations with their letters—two or three of these correspondents being nonagenarians who wished to express appreciation of the Library's long usefulness to them.

November, 1949.

Form for Bequests to the Library

I GIVE and bequeath to the Trustees at my death of the charity known as Dr. Daniel Williams's Charity of Gordon Square in the County of London the sum of £ free of all duty and I declare that the receipt of any three of such Trustees shall be a sufficient discharge for the said legacy. I direct such Trustees to stand possessed of the said sum of £ upon trust to apply the same in their discretion in the purchase of books to be given by them to the said charity to be held as an addition to its library or to apply the same in assisting the maintenance of the said library and I DECLARE that the said sum of £ is not to merge in the funds of the said charity but is to be held upon a separate and independent charitable trust.

An alternate form of bequest for use where a testator is giving a capital sum which is to be retained as an endowment fund may be had on application to the Secretary.
